

CORPORATE SUSTAINABILITY POLICY

At Puncak Niaga, sustainability is an integral component of our core corporate values. We are committed to promoting sustainability practices in the conduct of our business in a responsible manner for sustainable performance amidst continuing global urbanization and an evolving environment with rising energy needs and depleting non-renewable resources. As an organization, we will strive to continuously enhance our operational efficiency and reduce the environmental footprints of our business activities.

Our approach to sustainability is focused on:-

PEOPLE

- Our employees whom we provide with a safe and conducive working environment
- Our customers to whom we deliver quality services as part of our ongoing commitment to being their partner of choice
- The communities where we operate in where we take corporate responsibility through the conduct of our business operations and foster rapport and engagement with the local communities

PLANET

- We seek to deliver safe and energy-efficient solutions using innovative technology
- We seek to reduce the environmental footprints of our activities and services as well as our supply chain and office premises

PERFORMANCE

- We are committed to achieve sustainable growth and performance in a responsible manner whilst upholding the principles of good corporate governance and maintaining an open and transparent relationship with all of our stakeholders

To create value for our stakeholders, it is our ongoing commitment to behave ethically in the conduct of our business and provide innovative solutions and quality services and continuously work to improve on our environmental performance, the quality of life of our employees and their families as well as the local communities and society at large and contribute positively to the economic development of our nation.

Our commitment to the above Policy is driven by the Board of Directors of Puncak Niaga Group and implemented by the Management.
